Subject to approval of your Application, Symantec grants you a nonexclusive, non-transferable, non-sublicenseable license during the term of this Agreement to download, install, and display on Your Website, in accordance with the Seal installation instructions. This is a single copy of the Seal solely for the purpose of identifying your organization as a Symantec customer in accordance with the terms of this Agreement. If the enrollment information you provided upon enrollment for the Services is incorrect or has changed, or if your organization name and/or domain name registration has changed, you must immediately notify the Symantec. Upon receipt of such notice, Symantec may revoke your Seal and issue you a corrected Seal. Symantec may suspend display of your Seal at any time at its sole discretion if you fail any Symantec Trust Standard and until such failure is remediated to Symantec's satisfaction.

2.2 Symantec may undertake to re-authenticate your Seal credentials periodically, in which case Symantec may require additional information from you, and you may be required to re-confirm your acknowledgement and acceptance of the terms of this Agreement.

2.3 You must have the proper authorization and/or rights to the domain of Your Website to permit Symantec to provision the Services. You shall not (i) use the Services for or on behalf of any organization or domain other than the organization and domain named in your Application, (ii) use the Seal in the absence of the Splash Page, (iii) use the Seal on any domain secured with an SSL certificate unless the domain is secured with a SSL certificate issued by Symantec or any of its wholly-owned subsidiaries, (iv) copy, sell, rent, lease, transfer, assign or sublicense the Seal, in whole or in part, (v) alter or tamper with the Seal in any way, including but not limited to skewing; modifying the color, size, pattern and fonts; and separating logo elements, copyright and trademark indicators, or attempting to alter or suppress access to the Splash Page, or (vi) take any action that will interfere with or diminish Symantec's rights in the Seal or underlying Service. If you believe that the Seal has been copied or is being used in any way that constitutes Intellectual Property Rights infringement, you shall notify Symantec immediately. Breach of any of the restrictions above shall be considered a material breach of this Agreement.

2.4 If you are using the flash version of the Seal, and if the volume of views on your web page that displays the Seal exceeds 10,000 per day, then Symantec reserves the right to require you to host the Seal on Your Website in accordance with instructions Symantec will provide to you ("self-hosting"). Symantec will provide no less than thirty (30) days notice if self-hosting is required.

3. Term and Termination.

3.1 Unless earlier terminated in accordance with the terms hereof, this Agreement shall remain in effect until the termination or expiration of the last Services Agreement that entitles you to use the Seal. The provisions of sections 3.3, and 10 through 20 shall survive termination.

3.3 Upon termination or expiry of this Agreement, you shall immediately cease displaying the Seal and, if the Seal is self-hosted, you shall permanently remove it from all devices on which it is installed and shall not use it for any purpose thereafter.

4. Representations and Warranties.

4.1 You represent and warrant to Symantec that (i) you have the corporate power and authority to request the Services in connection with the domain indicated in your Application and to enter into, and perform your obligations under the Agreement; (ii) all information you provide in your Application for the Services is true and correct at the time of submission, and such information (including any domain name or e-mail address) does not infringe the Intellectual Property Rights of any third party; (iii) you will use the Seal in accordance with this Agreement only; (iv) you will not make any unauthorized representation or warranty to any third party relating to the Service. In the event that Your Website is managed, and/or hosted by a third party service provider, you warrant that you have obtained the consent and authorization from such third party service provider necessary for Symantec to perform the Services. You agree to facilitate any necessary communication and exchange of information between Symantec and your third party service provider.

4.2 Further to section 4.1, Reseller represents and warrants to Symantec and anyone who relies on the Seal that (i) it has obtained the authority of its customer to enter into this Agreement on behalf of its customer and/or to bind its customer to this Agreement; (ii) it shall comply with and procure its customer's compliance with this Agreement; and (iii) it shall not allow any website it hosts to display a Seal unless such website is licensed to do so.

5. Fees and Payment Terms.

As consideration for the right to use the Seal, you shall pay Symantec the applicable fees (if any) set forth on the Symantec website at the time of your selection, or if applicable, upon receipt of an invoice from Symantec. All fees are due immediately and are non-refundable, except as otherwise stated below. The fees stated are exclusive of tax. All taxes, duties, fees and other governmental charges of any kind (including sales, services, use, and value-added taxes, but excluding taxes based on the net income of Symantec) which are imposed by or under the authority of any government on the service fees charged herein shall be borne by you and shall not be considered a part of, a deduction from or an offset against such fees. All payments due to Symantec shall be made without any deduction or withholding on account of any tax, duty, charge, penalty, or otherwise except as required by law in which case the sum payable by you in respect of which such deduction or withholding is to be made shall be increased to the extent necessary to ensure that, after making such deduction or withholding, Symantec receives and retains (free from any liability in respect thereof) a net sum equal to the sum it would have received but for such deduction or withholding being required. This section does not apply to you if you purchased the Services from a Reseller.

6. Refund Policy.

If you are not completely satisfied with the Services for any reason, you must request, within thirty (30) days of enrollment, that Symantec terminate the Services and provide you with a refund. Following the initial 30-day period, you are entitled to a refund only if Symantec has breached a warranty or other material obligation under this Agreement. This Section does not apply to you if you purchased the Services from a Reseller.

7. Proprietary Rights.

You acknowledge that Symantec and its licensors retain all Intellectual Property Rights and title in and to all of their confidential information or other proprietary information, products, services, and the ideas, concepts, techniques, inventions, processes, software or works of authorship developed, embodied in, or practiced in connection with the services provided by Symantec hereunder, including without limitation all modifications, enhancements, derivative works, configurations, translations, upgrades, and interfaces thereto (all of the foregoing, "Symantec Works"). The Symantec Works do not include your pre-existing hardware, software, or networks. Except as otherwise expressly provided herein, nothing in this Agreement shall create any right of ownership or license in and to the other party's Intellectual Property Rights, and each party shall continue to independently own and maintain its Intellectual Property Rights.

8. Modifications to Seal License Agreement.

Symantec may (i) revise the terms of this Agreement; and/or (ii) change part of the Services provided herein or the Trust Standard at any time. Any such change will be binding and effective thirty (30) days after publication of the change on Symantec's website, or upon notification to you by e-mail. If you do not agree with the change, you may terminate this Agreement at any time by notifying Symantec and requesting a partial refund of fees paid, prorated from the date of termination to the end of the Service term. By continuing to use and display the Seal after such change, you agree to abide by and be bound thereby.

You agree and consent that Symantec may (i) place in your Seal and Splash Page certain information that you provide during enrollment for the Symantec Service; and (ii) publish your Seal on third-party websites subject to Symantec's agreements with applicable third-party service providers or technology partners. By placing the Seal on Your Website, you agree and consent that Symantec may capture, use, and disclose the IP address (which does not include any personally-identifiable information) of visitors to Your Website for the purposes of: (a) preparing reports about the use of the Seal that may be provided to customers, potential customers and the general public, (b) improving the utility of the Seal or creating new services, or (c) complying with a court order, law or requirement of any government agency.
