2. YOUR OBLIGATIONS

(a) Appointment. Upon registration, your account will be secured through a unique user name and password. You shall take all necessary measures to protect the confidentiality of your user name and password. You may appoint one or more authorized employees or agents as Account Administrator(s). You may permit such Administrator(s) to appoint additional Administrators on your organization's behalf. You shall cause your Administrators receiving Certificates hereunder to abide by the terms of the applicable Subscriber Agreement.

(b) Administrator Functions. You shall comply with the requirements set forth in the GeoTrust CPS for validating the information in Certificate Applications, approving or rejecting such Certificate Applications, using hardware and software designated by GeoTrust, and revoking Certificates. You shall perform such tasks in a competent, professional, and workmanlike manner. You shall approve a Certificate Application only if (i) the application was made on behalf of a device or internet domain (for purposes of approving SSL Certificates) within your organization; and (ii) your RA has authorized the use of your organizational name in the Certificate. If your Administrator ceases to have the authority to act as Administrator on your behalf, then you shall promptly revoke such authority. If the information in your Certificates is incorrect or has changed, then your Administrator shall promptly request revocation of all such Certificates issued therein.

(c) Survival. In addition to the termination, revocation, and security provisions set forth in this Agreement, the GeoTrust CPS shall survive termination of this Agreement until the end of the Operational Period of all Certificates issued hereunder.

(d) Certificate Restrictions. You shall not use an SSL Certificate (i) for or on behalf of any other organization or (ii) to perform private or public key operations in connection with any domain name and/or organization name other than the one(s) submitted by your Administrator during enrollment. You acknowledge and agree that the use of a single Certificate on more than one physical/virtual server or device at time can result in increased security risks to your network and GeoTrust expressly disclaims any liability for breaches of security that result from the distribution of a single key across multiple devices. GeoTrust reserves the right to monitor publicly-facing Internet servers and/or devices to ensure that SSL Certificates comply with this Section 2. If GeoTrust discovers any use of SSL Certificate(s) not in compliance with Section 2, then GeoTrust shall immediately notify your Administrator of non-compliance. If your Administrator does not revoke or remove the non-compliant Certificate, then GeoTrust may suspend the account and/or take such other appropriate actions, such as revoking the non-compliant Certificate. GEOTRUST CONSIDERS THE

UNLICENSED USE OF A SSL CERTIFICATE SOFTWARE PIRACY AND WILL PURSUE VIOLATORS TO THE FULLEST EXTENT OF THE LAW.

(e) Your Warranties. You warrant that (i) all information material to the issuance of a Certificate and validated by you or on your behalf is true and correct in all material respects; (ii) your approval of Certificate Applications will not result in Erroneous Issuance; (iii) you have substantially complied with the GeoTrust CPS and your obligations set forth herein; (iv) no Certificate information provided to GeoTrust infringes the intellectual property rights of any third party; (v) the information you provide in the Certificate Application(s) (including email address(es)) has not been and will not be used for any unlawful purpose; (vi) your Administrator(s) has been (since the time of the creation of your account) and will remain the only person(s) possessing the Administrator's account user name and password, private key, or any challenge phrase, PIN, software, or hardware mechanism protecting the private key, and no unauthorized person has had or will have access to such materials or information; (vii) you will not monitor, interfere with or reverse engineer the technical implementation of the GeoTrust systems or software or the PKI, except with the prior written approval from GeoTrust, and shall not otherwise intentionally compromise the security of the GeoTrust systems or software or the PKI.

(f) Reseller Representations and Warranties. Further to Section 2(e), Reseller represents and warrants that (i) it has obtained the authority of its customer to enter into this Agreement on behalf of its customer and/or to bind its customer to this Agreement; and (ii) it shall comply with and procure its customer's compliance with this Agreement.

3. ADDITIONAL SERVICE TERMS

(a) License Grant. GeoTrust grants you a limited, non-exclusive, non-transferable, non-sublicenseable license during the term of this Agreement to access and use the GeoTrust Enterprise Security Center and, if applicable, any software or tools which GeoTrust makes available through the GeoTrust Enterprise Security Center. You may use such software and tools solely in accordance with the applicable instructions or documentation and any end-user license terms and/or restrictions provided therewith.

(b) Each GeoTrust Enterprise Security Center license may support multiple organizations and multiple domain names, as long as each organization and related domain name(s) is owned and registered to the organization that owns the account. This Service is not intended for service providers that issue certificates to unrelated organizations and may not be used for such purpose.

(c) Seal. If you choose to display the GeoTrust® Seal, then you must install and display such seal only in accordance with the Seal License Agreement posted on GeoTrust's website.

4. GEOTRUST'S OBLIGATIONS

Upon your approval of a Certificate Application, GeoTrust shall: (i) be entitled to rely upon the correctness of the information in each such approved Certificate Application; and (ii) issue a Certificate to the Certificate Applicant submitting such Certificate Application.

(b) GeoTrust's Warranties and Disclaimers. GeoTrust warrants that (i) there are no errors introduced by GeoTrust in the Certificate information as a result of GeoTrust's failure to use reasonable care in creating the Certificate; (ii) its issuance of Certificates shall comply in all material respects with its CPS; and (iii) its revocation services and use of a repository conform to its CPS in all material aspects. EXCEPT FOR THE EXPRESS LIMITED WARRANTIES PROVIDED HEREIN, GEOTRUST DISCLAIMS ALL OTHER WARRANTIES, EXPRESS, IMPLIED, OR STATUTORY, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SATISFACTION OF CUSTOMER REQUIREMENTS, NON-INFRINGEMENT, AND ANY WARRANTY ARISING OUT OF A COURSE OF PERFORMANCE, DEALING OR TRADE USAGE.

5. CERTIFICATE SUBSCRIPTION

(a) Exception to Subscriber Agreement Terms. Notwithstanding any contrary terms stated in the Subscriber Agreement that you accept for these Services, which alternatively provides for the purchase of a Certificate, under the GeoTrust Enterprise Security Center, you are not purchasing Certificates but instead are purchasing subscriptions for the right to issue and manage the Certificates.

(b) Annual Subscription Details. You may solely purchase annual, twelve-month subscriptions for the GeoTrust Enterprise Security Center only for the right to manage your Certificate(s) within the capacity purchased for the duration of an active subscription ("Subscription"). You also have the option to purchase additional domain and/or organization authentication services in addition to those available with your Subscription. GeoTrust shall not refund amounts paid for any unused Subscriptions, domain authentication services, or

organization authentication services outside the published refund policy, as described under Section 7.

6. PROPRIETARY RIGHTS

You acknowledge that GeoTrust and its licensors retain all Intellectual Property Rights and title in and to all of their Confidential Information or other proprietary information, products, services, and the ideas, concepts, techniques, inventions, processes, software or works of authorship developed, embodied in, or practiced in connection with the Services provided by GeoTrust hereunder, including without limitation all modifications, enhancements, derivative works, configurations, translations, upgrades, and interfaces thereto (all of the foregoing "GeoTrust Works"). GeoTrust Works do not include your pre-existing hardware, software, or networks. Nothing in this Agreement shall create any right of ownership or license in and to the other party's Intellectual Property Rights and each party shall continue to independently own and maintain its Intellectual Property Rights.

7. FEES, PAYMENTS, AND TAXES

As consideration for the Services, you shall pay GeoTrust the applicable fees set forth on the Portal at the time of your selection. All fees (including Subscription fees, domain authentication service fees, and organization authentication service fees) are due immediately and, notwithstanding any contrary terms stated in the Subscriber Agreement that you accept for each SSL Certificate requested using these Services, are non-refundable, except that Subscription fees may be refunded upon your request within thirty (30) days from purchase of the Subscription. All sums due and payable that remain unpaid after any applicable cure period herein will accrue interest as a late charge of 1.5% per month or the maximum amount allowed by law, whichever is less. The fees stated are exclusive of tax. All taxes, duties, fees and other governmental charges of any kind (including sales, services, use, and value-added taxes, but excluding taxes based on the net income of GeoTrust) which are imposed by or under the authority of any government or any political subdivision thereof on the fees for any of the Services shall be borne by you and shall not be considered a part of, a deduction from or an offset against such fees. All payments due to GeoTrust shall be made without any deduction or withholding on account of any tax, duty, charge or penalty except as required by law in which case the sum payable by you in respect of which such deduction or withholding is to be made shall be increased to the extent necessary to ensure that, after making such deduction or withholding, GeoTrust receives and retains (free from any liability in respect thereof) a net sum equal to the sum it would have received but for such deduction or withholding being required. This Section 7 does not apply to you if you purchased your Subscription from a Reseller.

8. CONFIDENTIAL INFORMATION

The parties acknowledge that by reason of their relationship under this Agreement, they may have access to and acquire Confidential Information of the other party. Each party receiving Confidential Information (the "Receiving Party") agrees to maintain all such Confidential Information received from the other party (the "Disclosing Party"), both orally and in writing, in confidence and agrees not to disclose or otherwise make available such Confidential Information to any third party without the prior written consent of the Disclosing Party; provided, however, that the Receiving Party may disclose the terms of this Agreement to its legal and business advisors if such third parties agree to maintain the confidentiality of such Confidential Information under terms no less restrictive than those set forth herein.
